## Contemporary Style.

Now available, the new residential aluminum 360 Series from Haas Door. Each door is hand crafted and will add a modern contemporary look. These doors feature a clean, sophisticated straight line look that is not only architecturally pleasing but will further enhance the elegance of any home.

Manufactured with rust and corrosion free commercial grade aluminum, each 360 Series door is built with tongue and groove section joints that will remain strong and durable for the life of the door.

The 360 series is available in seven painted finishes, along with three anodized colors. Custom-matched color and powder coating is also available. Glass options include 1/8 inch tempered, 1/4 inch laminate or 1/2 inch insulated tempered glass available in a variety of styles.
